

# Reading Eggs Professional Development Catalog

A 3P Learning Product

October 2025

## What did you learn from today's session to help you integrate Reading Eggs into your classroom routine?

That interactive learning is another way to help with reading, building comprehension, and classroom management. This way of learning gives students more choice and an opportunity to practice responsibility for their learning.

Louise Houle, Teacher- Kee Tas Kee Now Tribal Council Education Authority

Reading Eggs offers so much more than I was aware of! I'm rethinking how I'm going to coordinate my phonics program for next year and how I can utilize Reading Eggs during my Daily 5/Guided Reading lessons.

Dana Ter Horst, Classroom teacher- Swan

Today's session helped me to gain a foundational understanding of how to implement this supplemental resource with my current curriculum.

Selena Burgos, Special Education Teacher- NISEC

The session was highly effective in providing a comprehensive overview of the Reading Eggs program. The presenter was knowledgeable and engaging, clearly explaining the platform's features and how to navigate them. They demonstrated how the content aligns with educational standards and learning objectives, which helped me understand how to use the program to support my teaching goals and my students' learning needs. The presenter also highlighted strategies for engaging students and tracking their progress, offering valuable tips for customization and differentiation. Overall, the session was informative and well-organized, leaving me confident in my ability to use Reading Eggs purposefully and effectively in my classroom.

Teacher- Dwight D Eisenhower InspireNola Schools

# Jump Start to Literacy!

## Introduction to Reading Eggs-

- **2HR Minimum**

This introductory session is a walkthrough of the dynamic 3-in-1 solution in Reading Eggs. Teachers will take a deep dive into how Fast Phonics supports the Systematic Synthetic Phonics approach to reading instruction and how Reading Eggs and Reading Eggspress focuses on a reading curriculum of skills and strategies which are essential for sustained reading success. Participants will tour both the student and teacher consoles.

### Who should attend?

- Teachers who are new to Reading Eggs
- Administrators who are new to Reading Eggs

# Jump Start to Literacy!

## Introduction to The Teacher Console only- 1 HR

This 1-hour virtual session is a getting started experience designed to prepare new partners for a successful start. Teachers will spend time in the teacher console exploring the solution's activities, data-driven reports, and embedded resources.

**Note:** Participants will receive Launch Lesson videos that are designed to show students and teachers how to navigate the student console.

### Who should attend?

- Teachers who are new to Reading Eggs
- Administrators who are new to Reading Eggs

# Jump Start to Literacy!

## Introduction to Reading Eggs- 3 PD Session Pack

- **3 x 1 HR**

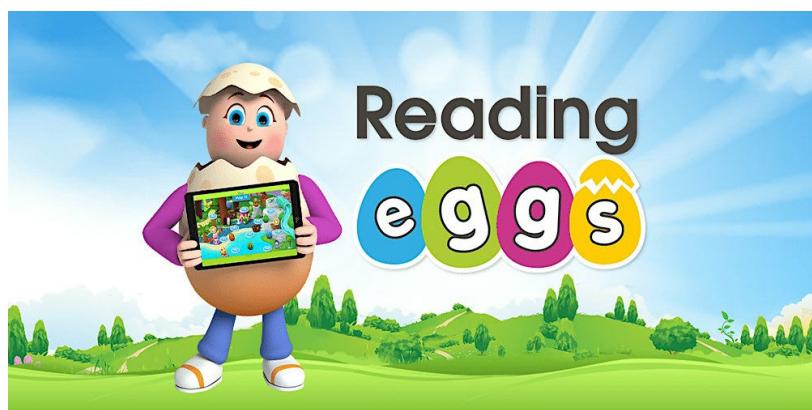

These highly recommended introductory sessions combine to form a thorough walkthrough of the dynamic 3-in-1 solution in Reading Eggs. Teachers will take a deep dive into how Reading Eggs supports a curriculum of skills and strategies which are essential for sustained literacy success.

### Session Topics:

- **Learning to Read**- Discover how Fast Phonics and Reading Eggs support emerging readers and explore the related tools in the teacher console that help to promote best practice, data-driven decision-making, and save teachers time!
- **Reading to Learn**- Discover how Reading Eggspress supports readers as they develop further literacy skills such as fluency, comprehension, vocabulary and spelling. Explore the related tools in the teacher console that help to promote best practice, data-driven decision-making, and save teachers time!
- **Developing a Culture of Reading for Pleasure**- Dive into the extensive digital library and how teachers can assign library books and book collections with students. Teachers will also experience the extraordinary Story Factory that supports and motivates students to write stories of their own.

### Who should attend?

- Teachers who are new to Reading Eggs
- Administrators who are new to Reading Eggs

# Implementing Reading Eggs in the Literacy Classroom

- **1HR**

You have been introduced to the Reading Eggs package, but how do you put it to work in your classroom? This session allows participants to convert practice into practical as they explore a variety of options and review sample lessons that incorporate the elements of the solutions in Reading Eggs into classroom routines.

## Who should attend?

- Teachers who have received the Reading Eggs introductory session
- Administrators who wish to support teachers as they implement Reading Eggs into their classrooms

# Exploring Reports in Reading Eggs

- **1HR**

Purposeful use of the solutions in Reading Eggs enables educators to use the data to inform teaching and learning. This session explores the data included in all pertinent levels of reporting: district, campus and classroom.

## Who should attend?

- Teachers who have received the Reading Eggs introductory session
- Administrators who want to learn how they can inform strategic academic goals and monitor curriculum-aligned student achievement in the Reading Eggs package.

# Empowering Struggling Primary-Aged Readers

- 1HR

This session explores the specific needs of struggling readers in Grades 1-2, readers with Dyslexia and English Language Learners. Teachers will look at how Fast Phonics supports these students' achievement in the Five Pillars of Literacy.

## Who should attend?

- Teachers who are experienced with Reading Eggs
- Administrators who are looking for resources for supporting young struggling readers

# Interventions for Older Struggling Readers

- 1HR

This session explores the specific needs of struggling readers in Grades 3-6. Teachers will look at how the three solutions in Reading Eggs support these students' achievement in the Five Pillars of Literacy.

## Who should attend?

- Teachers who are experienced with Reading Eggs
- Administrators who are looking for resources for supporting older struggling readers

# Investigating the Science of Reading

- 1HR

**What is the Science of Reading and how do the solutions in Reading Eggs follow the evidence-based features of the Science of Reading?**

**Who should attend?**

- Teachers who are experienced with Reading Eggs
- Administrators who are looking for resources for supporting the Science of Reading in their schools

# Promoting Literacy-Rich Home Environments with Reading Eggs

- 1HR

You have provided your students with 24/7 access to a research-based resource that supports the 5 Pillars of Reading Proficiency. Let's empower your students' parents to harness the power of Reading Eggs at home as well. This session will explore the benefits of gamified learning, carefully describe the elements of Reading Eggs, and help parents access the resources in the Parent Portal.

**Who should attend?**

- All parents of students who have access to Reading Eggs

# Reading Eggs Train-the-Trainer Package

**1 HR-2HR (Dependant upon the Trainer's prior knowledge about Reading Eggs)**

In this session, key campus personnel overseeing training the faculty will receive an overview of the product, both teacher and student consoles, tips for training staff and 30-day access to a full recording of the Introductory session- to be used for their own learning. They will also receive materials they can use in their training, including a slide deck and printable resources. Finally, trainers will be placed on a communication list to receive pertinent product updates for a 2-year period.

## Who should attend?

- Instructional coaches or individuals responsible for training teachers to use Reading Eggs
- Campus solution champions who are tasked with being the campus Reading Eggs expert

## Non-Product Professional Learning

### Insights and Strategies for Successful Social-Emotional and Academic Success

This informative and interactive session is designed for educators, school administrators, and anyone passionate about fostering the development of students. In today's complex educational landscape, it is increasingly important to equip learners with not only academic knowledge but also essential life skills. This session delves into the Collaborative for Academic, Social, and Emotional Learning (CASEL) competencies, a framework recognized worldwide for promoting social-emotional learning (SEL) in educational settings.

### Engage Students and Accelerate Learning through Project Based Learning

Project-based learning, or PBL, is a great approach for engaging students in problem-solving with a purpose while also addressing content standards across subject areas. This session is designed for new and experienced PBL teachers interested in learning more about how to become stronger facilitators using the seven essential project design elements, as well as the project-based teaching practices in their classrooms. It is also ideal for teachers who are just getting started with PBL to strengthen their practices on student engagement and accelerating learning.
